USEFUL TELEPHONE NUMBERS

To make a claim, call **0333 358 0258**

Please add this number to **your** mobile phone.

The claims helpline is open 24 hours a day, 365 days a year.

If **you** have any questions about this policy booklet or any documentation **you** have or **you** wish to make a change to **your** policy, please call **your insurance adviser**, **you** will find their details on **your schedule**. **We** may record or monitor calls for training purposes, to improve the quality of **our** service and to prevent and detect fraud.

PROTECTION AGAINST FRAUD

Insurance fraud has an impact on both us and our customers, so we take certain measures to prevent it.

A person is committing fraud if they or anyone else insured by this policy or acting on their behalf knowingly:

- Provide answers to **our** questions which are dishonest, inaccurate or misleadingly incomplete
- Mislead **us** in any way for the purpose of obtaining insurance, or more favourable insurance terms, or a reduced premium or to influence **us** to accept a claim
- Make a fraudulent or false claim in full or in part:
 - By providing false information in order to influence **us** to accept a claim;
 - By exaggerating the amount of the claim; or
 - By supplying false or invalid documents in support of a claim.

If **we** find that fraud has been committed **we** will have the right to:

- Void the policy and may not refund any premium
- Refuse to pay the whole of a claim if any part is in any way fraudulent, false or exaggerated
- Recover any costs incurred by **us**, including investigation and legal costs
- Recover the cost of any previously paid claims

In addition, **we** may:

- Inform the police, which could result in prosecution
- Inform other organisations as well as anti-fraud databases

STAY INSURED, STAY LEGAL

Check your registration details

It is vital that the registration mark of **the car** is correctly shown on **your** policy. If this is incorrect, **the car** may not appear on the Motor Insurance Database (MID) and this could lead to **the car** being seized by the authorities. Please let **us** know immediately if **your** registration mark is showing incorrectly on **your** documents. It is a legal requirement in Great Britain to have continuous insurance in place for **the car** and if there is no record on the MID showing **the car** is insured and **you** have not declared it as 'off road' by completing a SORN (Statutory Off Road Notification), **you** may receive a letter from the DVLA advising that **you** could receive a fine or prosecution and **the car** could also be clamped, seized and ultimately destroyed. **You** can check that details held about **the car** on the MID are correct by visiting www.askmid.com.

WHAT TO DO IF YOU HAVE AN ACCIDENT

The Law

- **You** must stop if **you** are involved in any incident involving an injury to any person or certain animals, or if other vehicles or roadside property are damaged. If **you** own **the car**, **you** must give **your** name, address and insurance details to anyone who has a good reason for asking. If **you** do not own **the car**, **you** must give the owner's name and address and the registration number of **the car**.
- If there is an injury or **you** do not give **your** details to anyone at the scene, **you** must report the incident to the police within 24 hours and present **your certificate of motor insurance** within five days.

To help with the claims process

- Do not apologise or admit fault.
- Try to collect the following information to give to the claims helpline as this will help **us** to speed up **your** claim:
 - Full details of the other drivers, including their phone numbers, and the registration numbers of all vehicles involved. This will allow **us** to contact anybody else involved straight away and, if **you** are not at fault and **we** manage to recover any money that **we've** paid in full then **your** no claim discount will not be affected.
 - Injuries caused.
 - Property damage.
 - Witnesses (if there are any).
 - Police officers and report references.
 - Full details of what happened.
 - Taking photos with a camera or mobile phone can help to confirm certain accident details.

CONTRACT OF INSURANCE

Introduction

This policy document is a contract between **you** and **us**. It is not **our** intention that the Contracts (Rights of Third Parties) Act 1999 gives anyone else either any rights under this policy or the right to enforce any part of it except in the case of the **current owner** in Section A & B.

In return for **you** paying or agreeing to pay the premium, **we** will provide cover up to any limits set out in **your schedule**, under the terms and conditions of this policy, under those sections of this policy which **your schedule** tell **you** apply. This cover will be against any accidental injury, loss or damage that happens during the **period of insurance** and within the **geographical limits** as per the 'what is covered' sections of the policy.

As this is a telematics product, **your driving behaviour** will be reviewed and assessed for the **period of insurance**. **You** agree that the smartphone, with the Marmalade **Young Driver app** installed, must be taken on every **trip in the car**, the smartphone must remain on, with Bluetooth enabled, and remain charged to more than 10% throughout the **trip** to ensure accurate recording of every journey or **you** may not be covered by this insurance.

Your policy is based on the answers **you** gave on the proposal or which is shown in a statement of insurance or **statement of fact** and any other information **you** gave **us**. **You** must tell **us** of any changes to the answers **you** have given. It is an offence under the Road Traffic Act to make a false statement or withhold information for the purposes of obtaining a **certificate of motor insurance**.

You must read this policy, the **certificate of motor insurance**, **schedule** and the **terms of business agreement** together as they are all part of **your** insurance contract. Please check all documents carefully to make sure that they give **you** the cover **you** want and need.

YOUR COVER

The cover that applies to this policy is comprehensive. All sections, general conditions and exceptions in this document apply.

It is a condition of this insurance that **the car** is owned and primarily used by **your** parent, grandparent, legal guardian or a combination of leasing company and the mentioned people. It must not be an extra vehicle bought for **you** to drive. **You** are not allowed to be the **current owner** of the vehicle at any point in the **period of insurance**.

You must not be the main user of **the car**. Marmalade reserves the right to cancel the policy should **you** exceed 50% of the total trips of **the car** within the **period of insurance**. Marmalade will track the number of trips performed by each driver and will decide on whether or not exceptional circumstances apply and on the history and **your** share of the trips in other months.

More mileage will be offered as a pre-agreed top up when **your** purchased miles become low; the charge for this, and if **we** will offer automatic top up, will depend on **your** driving score (please see the policy conditions section 11 for more information). It is **your** responsibility to make sure **you** have enough miles remaining to complete a **trip**, or to be able to top up the miles automatically during any **trip**, when **your** miles become low.

When **you** have no miles remaining, **you** will not be insured to drive **the car** under this policy. As such, it is important that **you** give **your insurance adviser** a valid method of payment, to enable automatic top-up, removing the chance of driving without insurance. It is illegal to drive without insurance and could result in a fine and points against **your** licence. If **you** have any concerns with keeping enough miles available, please contact Marmalade, as soon as it is safe to do so, to talk through **your** options.

This policy does not cover **you** to drive any other car, whether **you** have the owner's **permission** or not. Moving the **tag** to another car does not move **your** insurance to that car, unless **you** have told **your insurance adviser** in advance and **your insurance adviser** agrees to the change and gives **you** new documentation for the new car.

It is a condition of this policy that **you** tell anyone that is going to drive **the car** that it is fitted with a **tag** that will collect and send **data** about how **the car** is driven and used. **You** must tell every driver of **the car** that each **trip** may be visible to **you**, via **your app**; any person with access to **your app data** and to **us**.

YOUR COVER Continued

Driving abroad

Foreign use is not included as part of this insurance and **you** will be limited to third party only cover while driving **the car** outside of the **geographical limits** (see definitions for what this includes).

You may require a green card if **you** want to drive **the car** outside the **geographical limits**. Please speak to **us**, or **your insurance adviser**, well before any **trip** abroad in which **you** intend to drive **the car**. This is so **we** can provide **you** with any documents before the journey abroad. **You** will need other insurance to cover **you** and **your** possessions when driving **the car** outside the **geographical limits**.

We will not provide any cover in some global locations and other insurance will need to be bought by **you** to drive **the car** within those locations.

Changing the car on your policy

You can change **the car** on this policy at any time, provided **we** are told in advance. **Your insurance adviser** may charge an administration fee for any changes **you** make to the policy and there may be a change in the charge for the previously purchased miles.

In most cases making a change will be as simple as arranging a Mid Term Amendment (MTA) with **your insurance adviser** and if changing vehicle, **you** will need to move the **tag** to the new vehicle stated on the replacement insurance documents on the date and time agreed.

A copy of the V5 for the new car must be provided to **us** within 14 days of the date of the change of car.

YOUR COVER Continued

HOW WE WILL SETTLE YOUR CLAIM

Under sections A or B

We will choose whether to repair **the car** or pay a cash amount equal to the cost of the loss or damage. If **the car** cannot be driven because of damage that is covered under this policy, **we** will pay for **the car** to be protected and taken to the nearest approved repairer.

If the car is worth repairing

If **the car** is repaired by one of **our** approved repairers **you** do not need to get any estimates, and repairs can begin immediately after **we** have **accepted** and set up the claim.

We will arrange for one of **our** repairers to contact **you** to arrange to collect **the car**. All parts used to repair **the car** come with a guarantee- typically for one year. However all workmanship is guaranteed for as long as the **current owner** continues to own **the car**. **We** will also pay the costs of delivering **the car** back to the address shown on **your** current **schedule** or any other address **we** agree with **you** when the damage has been repaired.

You will have to pay any policy **excess** direct to the repairer.

If the condition of **the car** is better after the repair than it was just before it was damaged, **we** may ask **you** to pay something towards it. The repairer can use parts, including recycled parts, which compare in quality to those available from the manufacturer.

If **you** or the **current owner** do not want to use one of **our** approved repairers, **you** will need to send **us** an estimate for **us** to agree and **we** may need to inspect **the car**. **We** reserve the right to ask **you** to get alternative estimates. Any payment **we** make will be after **we** have taken off any policy **excess**.

If the car is a total loss:

Once an engineer has inspected and assessed the **market value** of **the car**, **we** will send **you** an offer of payment.

If there is any outstanding loan on **the car**, **we** may pay the finance company first. If **our** estimate of the **market value** is more than the amount owed to them, **we** will pay the balance. If **our** estimate of the **market value** is less than the amount owed, **you** may have to pay the balance.

HOW WE WILL SETTLE YOUR CLAIM Continued

Under sections A or B

If **the car** is leased or on contract hire, **we** may pay the leasing or contract hire company first. If **our** estimate of the **market value** is more than the amount owed to the leasing or contract hire company, the amount **we** pay them will settle the claim. If **our** estimate of the **market value** is less than the amount owed, **you** may have to pay the balance.

Once the total loss offer is accepted, **the car** will belong to **us**. Any payment **we** make for total loss will be after **we** have taken off any policy **excess**. By purchasing this policy **you** agree that **we** can handle **your** claim in this way.

Any payments **we** make under this section will be made to the **current owner** of **the car**.

Replacement car

We will not pay more than the **market value** of **the car** unless:

- The loss or damage happens before **the car** is a year old; and
- The **current owner** is the first and only registered keeper of **the car** (or the second registered keeper if the first registered keeper is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); and
- The **current owner** has owned **the car** (or it has been hired to them under a hire-purchase agreement) since it was first registered as new (or they are the second owner if the first owner is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); and
- The cost of repair is valued at more than 60% of the cost of buying an identical new car at the time of the loss or damage (based on the United Kingdom list price including taxes); and
- **The car** was supplied as new within the **geographical limits**.

HOW WE WILL SETTLE YOUR CLAIM Continued

Under sections A or B

In these circumstances, if **you** or the **current owner** ask **us** to, **we** will replace **the car** (and pay the delivery charges to the address shown on **your** current **schedule** or any other address **we** agree with **you**) with a new car of the same make, model and specification.

We will only do this if:

- **We** can buy a car straight away within the **geographical limits**; and
- **We** have **permission** from anyone who **we** know has a financial interest in **the car**

If a replacement car of the same make, model and specification is not available, **we** will, where possible, provide a similar car of the same list price. If this is not acceptable to the **current owner** of **the car**, **we** will pay the price of **the car**, fitted accessories and spare parts as shown in the manufacturer's last United Kingdom price list, less the **excess**.

We will cover legal liability for the death of or injury to any person and damage to property caused by or arising out of:

- **You** using **the car** while in your control or possession.
- Any person using (but not driving) **the car**, with **your permission**, for social, domestic and pleasure purposes.
- Any passenger in, getting into or getting out of **the car** while **you** are in charge of **the car**.

If **we** agree to, **we** may also pay:

- Solicitors' fees for representation at any coroner's inquest, fatal accident inquiry or court of summary jurisdiction;
- Legal costs for defending a charge of manslaughter or causing death by dangerous or careless driving; and
- Any other costs and expenses for which **we** have given **our** written **permission** arising from an accident covered under this policy.

If anyone who is insured by this section dies while they are involved in legal action, **we** will give the same cover as they had to their legal personal representatives.

Section G: No Claim Discount

What is covered

As long as **you** have not needed to make a claim during the continuous period of insurance, starting from the first date and time **you** took out **your** Marmalade Pay As You Go insurance until the same date and time the following year, and **you** have remained a Marmalade Pay As You Go customer throughout, **we** will include a No Claims Discount (NCD) for that period. This will apply for each following full years' worth of cover on **your** Marmalade Pay As You Go insurance. This NCD will be shown on any proof of no claim discount document that is supplied at policy cancellation and will apply only to **you** and may not be transferred to any other person.

If a fault claim is made during the **period of insurance**, **your** NCD will be reduced in accordance with **our** current scale at the point **you** would have accrued NCD (please see table below) and this may have an impact on **your** premium per mile at top up.

NCD step back rules

Declared discount years at inception	One fault claim within current policy period becomes:	Two fault claims within current policy period becomes:	More than two fault claims within current policy period becomes:

Section G: No Claim Discount

Uninsured driver promise

If **you** make a claim for an accident that is not **your** fault and the driver of the vehicle that hit **the car** is identified and is uninsured, **you** will not lose **your** no claims discount or have to pay any **excess** as long as **you** provide **us** with:

- The vehicle registration number and the make and model of the vehicle; and
- The driver details; and
- If possible, the names and addresses of any witnesses.

You may initially have to pay **your excess** and lose **your** no claims discount whilst investigations are ongoing but if **we** establish the accident is the fault of the uninsured driver **we** will refund **your excess**, re-instate **your** no claims discount and refund any extra premium **you** have paid.

POLICY EXCLUSIONS

1. **We** will not pay claims arising directly or indirectly from any of the following:
 - **The car** being driven by, or being in the charge of, someone who is not described in **your certificate of motor insurance** as entitled to drive **the car**

2. **We** will not pay any claims if **you** receive any payment for giving people lifts in **the car**, and:
 - **The car** is made or altered to carry more than six people including the driver; or
 - **You** are carrying the passengers as part of a business of carrying passengers; or
 - **You** are making a profit from the payments **you** receive.

5. **We** will not pay for any liability **you** accept under an agreement or contract. Unless **you** would have been legally liable anyway.

6. **We** will not pay for any claim occurring outside of the **geographical limits** above the statutory minimum level required by law.

7. **We** will not pay claims arising directly or indirectly from any motor car being in a place used for:

8. **We** will not pay claims for loss or damage if **the car** is not insured annually on a separate motor insurance policy.

However, **we** will provide the minimum cover needed under compulsory motor insurance legislation.

POLICY CONDITIONS

1. How to claim

Please phone **our** helpline as soon as possible to report the incident.

The helpline number is: **0333 358 0258**

You must send **us** any letter, claim, writ or summons as soon as **you** receive it. **You** must also let **us** know straight away if **you** or **your** legal advisers know of any prosecution, inquest or fatal accident inquiry that might be covered under this policy.

2. Dealing with claims

You or any other person who claims under this policy must not negotiate, admit fault or make any payment, offer or promise of payment unless **you** have **our** written **permission**.

In dealing with any claim under the terms of this policy **we** may:

- Carry out the defence or settlement of any claim and choose the solicitor who will act for **you** in any legal action; and
- Take any legal action in **your** name or the name of any other person covered by this policy.

We can do any of these in **your** name or in the name of any person claiming under this policy.

Anyone who makes a claim under this policy must give **us** any reasonable information **we** ask for.

3. Right of recovery

If the law of any country says **we** must make a payment that **we** would not otherwise have paid, **you** must repay this amount to **us**.

4. Other insurance

If any incident that leads to a valid claim is covered under any other insurance policy, **we** will not pay any part of the claim.

POLICY CONDITIONS Continued

5. Taking care of the car

Anyone covered by this policy must take all reasonable steps they can to protect **the car** and anything in or attached to it, against loss or damage - this includes making sure that all windows, doors, roof openings, removable roof panels or hoods are closed and locked, and the keys (or any other device needed to lock **the car**) are not left in or on **the car**.

The car must be kept in good working order. **We** may examine **the car** at any time.

6. Keeping to the terms of the policy

If **you** or any person who claims under this policy fails to comply with any policy condition, **we** will not pay any claims.

7. Providing accurate information

Whenever **you** take out or ask **us** to make changes to **your** policy, **you** must take reasonable care to:

- Supply accurate and complete answers to all questions
- Ensure the statements declared on the **statement of Insurance** or **statement of fact** are accurate; and
- Make sure that all other information supplied to **us** is accurate and complete.

We will treat **your** policy as if it had not existed and keep any premium paid from the start date or the date that any changes were made to the policy (as the case may be) if **you**:

- Deliberately or recklessly gave **us** inaccurate or incomplete information; or
- Did not take reasonable care to give **us** accurate and complete information, in circumstances where **we** would not have issued this policy to **you** at all.

POLICY CONDITIONS Continued

In all other cases, if **you** or anyone required to give information in the taking out of this insurance fail to exercise reasonable care **we** may refuse to pay all or part of a claim.

If **we** would have:

- Provided cover to **you** on different terms, had **you** provided **us** with accurate and complete information, then the policy will be treated as if it had contained such terms. In such circumstances, **we** will only pay a claim if it would have been covered by a policy containing such terms.
- Provided **you** with cover under this policy at a higher premium, the amount payable on any claim will be reduced proportionately, based on the amount of premium that **we** would have charged. For example, **we** will only pay half of the claim, if **we** would have charged double the premium.
- If **we** discover inaccuracies in any of the information **you** provided **us** with, which would have made a difference to the premium charged, before any incident which might give rise to a claim has occurred, **we** may, at **our** discretion, offer **you** the option to pay the additional premium in return for **us** not reducing the amount payable on any future claims under the policy.

8. Changes you must tell us about

You must tell **us** about any of the changes below straight away. Failure to tell **us** about any changes to the information detailed on **your** proposal, **statement of insurance or statement of fact, schedule or certificate of motor insurance** may mean that **your** policy is invalid and that it does not operate in the event of a claim.

These changes may result in a change to **your** premium and/ or **excess**. **Your insurance adviser** may make an administration charge (subject to Insurance Premium Tax where applicable) if **you** alter **your** policy.

Some of the changes **you** must tell **us** about are:

- **You** change **the car** or its registration number, sell **the car**, get rid of **the car** or **you** get another vehicle
- **You** change **your** address or the address at which **the car** is kept overnight
- There is a change to the estimated annual mileage that **the car** will cover

POLICY CONDITIONS Continued

This would include:
 - Changes to the bodywork, such as spoilers or body kits
 - Changes to suspension or brakes
 - Cosmetic changes such as alloy wheels
 - Changes affecting performance such as changes to the engine management system or exhaust system
 - Changes to the **audio/entertainment equipment**

Please be aware that this is not a full list of possible changes; all changes made from the manufacturer's original specification must be disclosed.

- Used for any purpose not covered by **your certificate of motor insurance**.
- Involved in an accident or fire, or someone steals, damages or tries to break into it.
- There is any change of main user of **the car**.
- **You** or any other person who may drive **the car**:

You can find additional information in the Motoring section at www.gov.uk or pick up leaflet D100 from the Post Office.

POLICY CONDITIONS Continued

9. Fraudulent claims

We will not pay any claim if:

- Any claim or part of any claim is fraudulent, false or exaggerated;
- Falsified documentation is submitted in support of a claim; or
- **You** or any other person who claim under this policy makes a dishonest or false statement to **us** in support of a claim.

In these circumstances, all cover will be cancelled from the date of the fraud and no premium will be refunded. If **we** have made a payment **we** would not otherwise have made, **you** must repay that amount to **us**.

We may also notify relevant authorities, so that they can consider criminal proceedings.

10. Cancelling your policy

The terms of cancellation are set out in the **terms of business agreement** that **you** were given when buying **your** policy. Cancellation refunds are only available from **your** last top-up purchased miles and when **you** have not made a fault claim or had an incident that could result in a fault claim. The amount of premium **you** get back will be based on the premium paid for the latest topped up mile amount and only the miles remaining from that topped up amount will be refunded at the price paid. **Your insurance adviser** may charge an administration fee for **your** cancellation as set out in the **terms of business agreement**. If **you** do not return the telematics **tag** after cancellation, **your insurance adviser** may also charge **you** for the **tag**. A fourteen day cooling off period applies from the point **you** activate the insurance by installing the **tag**, pairing the **app** and receiving **your** documents, however if the policy has already started **you** may still be charged the following:

- An administration fee;
- The premium for any miles used;
- The telematics **tag** if not returned.

If **you** have received the **tag** and the policy has not started, the deposit for the **tag** will still be charged.

POLICY CONDITIONS Continued

We or **your insurance adviser** have the right to cancel this policy at any time by giving **you** 7 days' notice in writing, as long as **we** have a valid reason. **We'll** tell **you** the reason why.

Reasons why **we** may decide to cancel **your** policy include but are not limited to:

- Changes to the information that **you** provided to **us** when **you** purchased the policy, which are shown on **your statement of fact** or policy **schedule**, that mean **we** no longer wish to insure **you**;
- There's been a misrepresentation which means **we** no longer wish to insure **you**;
- **We're** unable to take a payment from **your** account, although **we** will give **you** the chance to make the missing payment;
- **Your** unused miles reach their 12 month expiry date – **you** will be notified by **your insurance adviser** in advance of the cancellation as per the **terms of business agreement**.
- **You**, or someone representing **you**, is abusive to **our** staff or anyone acting on **our** behalf;
- **You** won't give **us** information or evidence that **we** ask for;
- If **we** suspect fraud on this or another related insurance policy **we** may choose to cancel **your** policy immediately;

If **we** discover that **you** have deliberately withheld information from **us**, or **you** gave **us** wrong information because **you** didn't take care when communicating with **us** or **your insurance adviser**, **we** may be entitled to void **your** policy. This means **we** would treat the policy as though it had never been issued. **We** may also refuse to pay any claim and keep any premium **you've** paid. If **we** discover that **you** have committed fraud when a claim is being made **we** may refuse to pay the claim and make **you** repay any money **we've** already paid out in claims.

The full cancellation details are set out in the **terms of business agreement**.

11. Telematics Data

When paired, the **tag** will transmit to **us** information which will include (but is not limited to):

- **The car's** location, the time of day, date of travel and time spent stationary;
- The smoothness of **your** acceleration and cornering manoeuvres;
- **Your** braking frequency and force;
- **Your** speed compared to the speed limit on a particular road;
- The type of road and the distance travelled;
- Number of miles driven in **the car**;
- Use of the mobile phone while **the car** is in motion;
- Crash detection;
- Details of unpaired trips completed by other drivers.

This will be used to build a profile of **your** and the other driver's **driving behaviour**. **Your driving behaviour** forms **your driving behaviour** scores and these results are available to view on the secure **app**. **Data** collected by **us**, Marmalade, appointed providers and/or service partners will all be kept and used securely.

The smartphone **app** transmits **data** to **us**. If **you** have limited **data**, **you** can select the option to "Upload **trip data** using wi-fi only" in "Settings".

You must tell anyone that is going to drive **the car** that it is fitted with a **tag** and the details of the **trip** will be captured and stored securely. **You** must tell them that the information about the journey will be available to **you**, **us**, and anyone else with access to **your app**.

POLICY CONDITIONS Continued

The **data** collected by the **tag** may be used by **us** or **your insurance adviser** for the following purposes:

- To notify **you** when **your** remaining miles are running out or need topping up.
- To review the information disclosed by **you** in relation to **your** policy or any claim, and to identify inconsistencies with that information. Please note that knowingly providing inaccurate information could result in **your** claim being rejected and/or **your** policy being cancelled;
- Operational requirements, including the activation, disconnection, updating and testing of **your tag** and any associated software (e.g. during installation or to perform maintenance checks);
- To provide **data** to **your app**;
- Processing **your** personal **data** for the purpose of providing **you** with **your** insurance policy and associated services;
- To contribute towards the calculation and charging of insurance premiums based upon **driving behaviour** and **the car** usage by compiling and generating **driving behaviour** scores;
- To assess **your driving behaviours** and **the car** usage together with **your** history of scores to help determine **your** future insurance top up premiums;
- To enable **us** to contact **you** regarding the administration of **your** insurance policy, provide **you** with reminders, other score related feedback and / or hints and tips. To do this **we** may contact **you** via e-mail, telephone, SMS text message, or post, however these messages will not take the form of marketing or promotional material;
- To help **us** handle any claim, and reduce fraud, by supporting the identification, assessment or investigation of claims made and to provide clarity as to the details of the claim;
- To provide **you** with any other, optional, telematic services that are, or may become available, where **you** agree to these at purchase or during the lifetime of **your** policy;

POLICY CONDITIONS Continued

- To carry out research and analysis, to help **us** to understand **driving behaviours** which **we** will use to improve the underwriting of this product and to inform the development of similar products; or
- General research and analysis including: mapping and refining techniques for analysing the **data**. In such circumstances **we** will make the **data** anonymous and will not identify **you** or any car.

We will only disclose **data** collected by the **tag** to authorities, such as the police or the courts, where **we** have **your permission** to do so (or another driver's **permission**, where the **data** relates to them), except where **we** are required to do so by law, when subject to a court order or where **we** suspect fraud or attempted fraud.

You have the right to withdraw **your consent** to **our** use of the **data** collected by the **tag** at any time. Where **you** wish to do so, **you** are required to notify Marmalade at **your** earliest opportunity. In these circumstances however, **we** will have the right to cancel **your** policy from the date **we** receive notification of **your** withdrawal of **consent**, in accordance with the **terms of business agreement** and general conditions.

Where **you** have removed **your consent** to **our** collection and/or use of the **data**, this does not remove **our** right to use the **data** collected up to the point of **you** telling **your insurance adviser**.

You have the right to request a copy of the **data** that is being held about **you**. If **you** wish to be given this **data**, please send **your** request by email to: **familycar@marmalade.co.uk**.

POLICY CONDITIONS Continued

Your trips

Trips are categorised into three levels based on the **driving behaviour** score:

- A driving risk score of five stars represents a perfect journey, and a score of three stars or over is scored as a **green journey**;
- Achieving a driving risk score of two stars is scored as an amber journey and ;
- A score of one star represents a **red journey**.
- **Your** journey scores will be available in the **app**.

You will be alerted to any **red journey** that occurs. A notification will be sent to **you** and the **current owner** by e-mail and SMS text message and **you** will both be requested to review the trips on the **app**. **Your first red journey** will start the driving caution process and further **red journeys** may result in policy cancellation. The full process is below. Please contact **your insurance adviser** if **you** need extra details about the process.

Driving caution process

You are permitted a total of one **red journey** before entering the caution process. After the first **red journey**, **you** and the **current owner** will be sent an advisory **caution notice** by e-mail and SMS text message. This will inform **you** and the **current owner** of the first **red journey**, the caution process and will give the consequences of any further **red journeys** within the applicable time period. This is shown in the table below.

POLICY CONDITIONS Continued

24-hour review

After any **red journey** we will give **you** and the **current owner** 24 hours to review the details on the **app**, during which time, **we** will not take any action if **you** incur another **red journey**

Subsequent red journey

Once the 24-hour review period has ended, the next **red journey** will result in **you** entering the caution process at **red zone** stage 1 and additional red journeys could lead to policy cancellation as set out in the table below.

Red zone	Time period	Consequence of a red journey during the stage
Stage 1	30 days	Move to stage 2
Stage 2	30 days	Move to stage 3
Stage 3	30 days	Policy cancellation

Stage 1

Having entered stage 1

- If **you** have a second **red journey** within the **red zone** of 30 days **you** will move to stage 2 (see below) and a new **red zone** of 30 days will begin from 24 hours after the date of the second **red journey**.
- If **you** do not incur another **red journey** within the stage 1 **red zone** of 30 days, there will be no immediate action.
- Red Journeys that occur after the **red zone** of 30 days will restart the stage 1 process if **you** have not moved to stage 2 or 3.

POLICY CONDITIONS Continued

Stage 2

Having entered stage 2

- If **you** have another **red journey**, within the new **red zone** of 30 days, **you** will move to stage 3. A new **red zone** of 30 days will begin from 24 hours after the date of that **trip**.
- If **you** do not incur another **red journey** within the stage 2 **red zone** of 30 days, there will be no immediate action.
- Any **red Journey**, that happens after the stage 2 **red zone** has ended, will restart the caution process at stage 2 and not stage 1.

Stage 3

Having entered stage 3:

- If **you** do incur another **red journey** within the new **red zone** of 30 days, **your** policy will be cancelled by **us**.
- If **you** do not incur another **red journey** within the stage 3 **red zone** of 30 days **your** policy will continue and **you** will no longer be at immediate risk of cancellation.
- New **red journeys** after the stage 3 **red zone** has ended will start a new stage 3 **red zone** of 30 days. This will start from 24 hours after the latest **red journey** took place. The stages do not reset. Each new **red journey** from this point onwards will again put **you** at risk of policy cancellation. Repeated **red journeys** in any stage may result in **us** not offering automatic top up.

12. Telematics conditions

Installation

It is required as part of this policy that a telematics **tag** is fitted to **the car** and that **you** download the Marmalade Young Driver **app**. The **tag** must be installed in **the car**, exactly as per the instructions provided, as soon as **you** receive the **tag** and **you** must contact **us** if **you** haven't received the **tag** within three days, or **you** may not be covered under this insurance. **You** must also download and install the **app** before **you** begin any **trip in the car**.

The **tag** is self-adhesive and will come with easy to follow instructions. Once fitted, please follow the instructions on the **Young Driver app** to pair the **tag** with **your** smartphone. **You** should not attempt to move or remove the **tag**, once this is in place, until after the policy is cancelled.

You can drive once the **tag** is fitted to **the car** and paired with the **app**.

You are required to supply **your insurance adviser** with the following documents and not doing so may result in cancellation of **your** policy:

- Driving Licence (copy)
- V5C logbook (copy)

If **you** cancel this policy before it starts, but have already received the **tag**, a cancellation fee of £60 will be retained to cover the cost of the **tag**. Please talk with **your insurance adviser** about fees and how to return the **tag** if **you** do cancel the policy.

The telematics tag

The **tag** will record some information on all trips driven in **the car**, regardless of who is driving.

Until the **tag** has been removed from **the car** after cancellation, it is **your** responsibility to tell any person or organisation buying or taking ownership of **the car** that the **tag** is fitted to it and it will record some details of their trips.

The **app** links to a driver. The **app** will pair with the **tag** whenever **the car** is driven and the **app** is within range. Any **trip** recorded when the **app** is unpaired will be sent to the telematics provider once paired. This policy does not insure anyone other than **you** to drive **the car**, even if **you** are showing as paired to the **tag**. If the **app** incorrectly records **you** as the driver, **you** can amend this, however it will, over time, learn the different **driving behaviours** and record the drivers more accurately.

To remain insured **you** must make sure that **your** smartphone is always able to pair with **your tag** by:

- Making sure Bluetooth is on during every **trip**;
- Turning on location services for the **app** if not already on;
- Turning on notifications for the **Young Driver app** if not already on;
- Making sure that any device with **your app** installed is not on power saving mode and is charged to more than 10% throughout every **trip**.
- The **app** will display:
 - **Your** overall 2 week driving score on the main screen;
 - The percentage of trips that **you** have taken;
 - The number of miles left on the policy;
 - A top-up control link that transfers **you** to the Marmalade website's top-up details page, allowing **you** to control the automatic top-up elements.
 - A warning when miles are due to expire from the twelve month active period;
 - A way to indicate if **you** are not the active driver when the **app** has paired with the **tag**;
- The **trip** history with a score for each **trip** and the number of miles driven on a map.

POLICY CONDITIONS Continued

Pay As You Go conditions

It is a condition of **your** insurance contract that **you** purchase the miles that **you** require. Starting a **trip** while **you** have no purchased miles available, or **you** are in debit on the **app**, will invalidate **your** cover for the **trip** until **you** purchase more miles from **your insurance adviser** and are in credit again.

This means **you** will not have insurance cover for incidents occurring on any **trip** started while **your** remaining paid for miles are at zero or lower, and **you** will count as an uninsured driver for that journey.

The **tag** will count the number of trips driven by each driver and **you** must not exceed 50% of the total trips driven in any month (unless within an unusual situation, which **your insurance adviser** will consider and contact **you** about before issuing a cancellation).

Your miles will top-up automatically when **you** reach 50 miles remaining as per **your** last agreed mileage top-up amount. The premium for the agreed number of miles may be affected by **your driving behaviour** score and **our** rating will be reviewed at times throughout the year. **You** will be notified by email of any changes to **your** top-up offer amount. It is a condition of this policy that **you** have pre-agreed a top-up amount, which **you** can control through the Marmalade website and **you** must use this option to correct any details that cause the top-up to fail. This is so that **you** remain insured by buying more miles before the current ones are completely used. Any miles **you** purchase will be available to be used for up to one year from the time **you** last purchased miles. After which, the miles will expire and no longer show as available. **Your insurance adviser** will tell **you** of the cancellation if **you** do not top up additional miles.

It is a condition of this policy that **you** must not, nor allow any person or organisation to change, tamper, alter or take apart the **tag** in any way or to interfere with the Global Positioning System (GPS) signal received or the Mobile Phone Network signal sent or received by the **tag**. In the event of this occurring, **we** and/or **your insurance adviser** may cancel **your** policy in line with the **terms of business agreement** that was given to **you** when purchasing **your** policy.

POLICY CONDITIONS Continued

Should **your** insurance advisor notice that **your tag** is not installed, they will contact **you** to request that it is reconnected. In the event that the **tag** is not reconnected and there is no valid reason why it should not be reconnected, **we** and/or Marmalade may cancel **your** policy in line with the **terms of business agreement you** were given when purchasing **your** policy.

In the event the **tag** becomes broken or defective, **your insurance adviser** will let **you** know and a replacement **tag** will be sent to **you**. **You** will be required to post the faulty **tag** back to **your insurance adviser**.

You must not drive **the car** until the new **tag** has been placed in **the car** as **we** will not consider **you** insured for any claims that occur without a completely working **tag** in place within **the car**.

If **you** remove **the car** from the policy or **your** policy is cancelled, the **tag** will not collect or transmit to **your app** any further **data** from 7 days after the termination date of **your** policy, unless **you** have arranged for the **tag** to be fitted to a replacement car insured with **us**.

13. Law applicable to the contract

English law will apply to this contract unless **you** and **we** agree otherwise. (If **you** live in Jersey, the law of Jersey will apply to this contract and the Jersey courts will have exclusive jurisdiction over disputes between **us** and **you** in relation to it.)

14. Language

The contractual terms and conditions and other information relating to this contract will be in the English language.

POLICY CONDITIONS Continued

15. Policy renewals

Marmalade Pay As You Go product does not renew like an annual policy would. **You** will be informed by **your insurance adviser** when top up of **your** miles is required or about to occur. **You** can change **your** top up options at any time by contacting **your insurance adviser** or clicking on the link within the **app** to take **you** to the top-up control webpage. **Your** top up costs reflect **your** current situation so these take into account any changes to **your** details at each top-up.

We and or Marmalade reserve the right to amend or withdraw the top up option, at any time, due to unacceptable **driving behaviour** or changes to **your** policy that **we** are not willing to insure by this product.

You do not need to contact **your insurance adviser** annually to confirm renewal of the policy as it will continue for as long as **you** have pre-paid miles that have not expired. No claims discount will be accrued annually from the first time of purchasing miles through this Marmalade Pay As You Go product.

16. Rights of third parties

This policy is a contract between **you** and **us**. It is not intended that the Contracts (Rights of Third Parties) Act 1999 gives anyone else either any rights under this policy or the right to enforce any part of it, except in the case of the **current owner** in Section A & B.

17. Annual insurance covering the car

We will only provide cover under this policy if **the car** is insured elsewhere comprehensively by an annual policy. **We** will cancel the policy if **we** or **your insurance adviser** see that this is no longer the case.

In the unlikely event that **we** haven't responded to **your** complaint within eight weeks or **you're** not happy with **our** final response **you** have the right to take **your** complaint onto the Financial Ombudsman Service but **you** must do so within six months of the date of **our** final response.

The Ombudsman is an impartial complaints service, which is free for customers to use and taking **your** complaint to the Ombudsman does not affect **your** right to take **your** dispute to the courts.
